We request that the patent be revoked *in toto* for all designated contracting states. The subject-matter of the patent is not patentable under Articles 52 to 57 EPC (Article 100(a) EPC). The patent does not disclose the claimed subject-matter in a manner sufficiently clear and complete for it to be carried out by a person skilled in the art (Article 100(b) EPC). The subject-matter of the patent extends beyond the content of the application as filed and/or beyond the content of the earlier application as filed (Article 100(c) EPC).

If the Opposition Division cannot follow our request for revocation of the patent *in toto* without further ado, oral proceedings are requested in accordance with Article 116 EPC.

We will provide our grounds of opposition and details of any further requests in due course.
