PATENT AT ISSUE:

European patent EP 3 577 874

PANEL/DIVISION:

Panel of the Local Division in Mannheim

DECIDING JUDGE:

This decision was issued by the legally qualified judge Sender acting as judge-rapporteur.

LANGUAGE OF PROCEEDINGS: English

SUBJECT OF THE PROCEEDINGS: Infringement action and Counterclaim for Revocation – Withdrawal

BRIEF SUMMARY OF THE FACTS:

Claimant filed an infringement action against Defendants (UPC_CFI_847/2024). Defendants filed a joint counterclaim for revocation (UPC_CFI_422/2025).

During the interim procedure, the parties request – with the consent of the respective counterparty/ies and without a request for a cost decision – to permit the withdrawal of the respective actions.

REASONS FOR THE DECISION

The decision on the requested withdrawals is based on R. 265 RoP in accordance with the mutual agreement of the parties.

A decision on costs is not required as the present actions are withdrawn in their entirety and all parties declare that a cost decision is not requested (cf. CoA, order of 24 January 2025, UPC_CoA_840/2024, para. 11; order of 31 March 2025, UPC_CoA_520/2024, para. 10).

As already stated in the order of 21 October 2026 (section VII.), the appropriate value in dispute is 8,000,000 € for each of the proceedings.

DECISION:

1. The withdrawal of the infringement action (UPC_CFI_847/2024) is permitted, and the proceedings are declared closed.

2. The withdrawal of the counterclaim for revocation (UPC_CFI_422/2025) is permitted, and the proceedings are declared closed.

3. The value in dispute for the infringement action and the counterclaim for revocation is set at 8,000,000 € each.

4. This decision shall be entered on the register.

Issued in Mannheim on 6 November 2026
